

# Strand Capital Limited - In Special Administration ("Strand") Update for clients and other stakeholders February 2019

This is an update for clients and other stakeholders affected by the special administration of Strand. It sets out updated details on the return of Client Monies and Client Custody Assets to clients of Strand

The Bar Dates of 31 October 2018 have now passed and all known clients of Strand, except one corporate client, have agreed their claims for Client Monies and/or Client Custody Assets. This means that the Joint Special Administrators ("JSAs") are now able to commence the return of Client Monies and Client Custody Assets to clients.

## Return of Client Monies

The JSAs will shortly commence payment of a first interim distribution of 65 pence in the pound, (i.e. 65% of clients' Client Monies claim balances) from the pool of Client Money automatically created as a result of the special administration of Strand. The distribution is calculated on each client's total Client Monies claim balance, which is the first balance on clients' Statements of Claim. For those clients holding OWG bonds the balance being used excludes the December 2016 OWG coupon interest).

Please note that where clients have already received compensation from the FSCS in respect of their Client Monies, this interim distribution will be paid by the JSAs directly to the FSCS.

If a client has not already been compensated in full for their Client Monies claim balance by the FSCS, the FSCS may be required to make a further payment to the client following receipt of the interim distribution in accordance with the FSCS's compensation rules.

A letter will be sent to all clients to notify them of the Client Monies distribution paid. Where an individual has assets invested in Strand through either a SIPP or Pension Fund this letter will be sent to the SIPP or Pension Fund who manages these assets.

# Return of Client Custody Assets

As the JSA's set a Bar Date in order to return Client Custody Assets, the JSAs are required to prepare a formal Distribution Plan detailing the process for returning Client Custody Assets and must obtain the approval of both the Strand Creditors' Committee and the Court to the Distribution Plan.

The Creditors' Committee has approved the Distribution Plan and the Court has set a date of 2 April 2019 for a formal hearing at which the Court will consider the Distribution Plan.
