**IN THE MATTER OF THE INSOLVENCY (ENGLAND AND WALES) RULES 2016**

**NOTICE OF INTENDED DIVIDEND UNDER RULE 14.29**

Notice is given that the joint administrators propose to make a first and final distribution to the unsecured creditors of the Company pursuant to Rule 14.29 of the Insolvency (England and Wales) Rules 2016.

The last date for proving debts against the Company is 29 July 2021, by which date claims must be sent to the undersigned, of Smith & Williamson LLP, 25 Moorgate, London, EC2R 6AY, one of the joint administrators of the Company or by email to [cashongo@smithandwilliamson.com](mailto:cashongo@smithandwilliamson.com). The joint administrators intend to declare a first and final dividend within two months of the last date for proving claims.

The joint administrators intend to treat all debts for £1,000 (inclusive of VAT) or less according to the Company's records or Statement of Affairs, as proved for the purposes of paying a dividend.

If I do not receive your claim by the last date for proving, you may not be able to participate in the dividend.

Finally, the joint administrators are required to state the value of the fund (the Prescribed Part) available to the unsecured creditors from the Company's net property under Section 176A of the Insolvency Act 1986. Whilst there are various factors which could impact the value of the Prescribed Part, the joint administrators currently estimate that it will be between £431,000 and £498,000, subject to the costs of processing the dividend payment.
